RAPID REHOUSING PROGRAMS

Updates & Information Session

WHAT IS RAPID REHOUSING?

Rapid ReHousing (RRH) is a program designed to quickly transition individuals and families from homelessness to permanent housing by providing...

- Housing navigation services
- Moving assistance
- Rental assistance
- Case management
- Supportive services

RRH IN OUR REGION

The Catawba Area Coalition for The Homeless (CACH), the City of Rock Hill, and the Housing Development Corporation of Rock Hill (HDC) partner together on Rapid ReHousing to expand and improve programming across the region.

Last year, during the 2024–2025 funding cycle, a total of 41 households—comprising 75 individuals, including 28 children under the age of 18—were served through the Rapid ReHousing programs funded by CACH and HDC.

In addition to our Rapid ReHousing programs, Safe Passage also has a Rapid ReHousing program for individuals and families fleeing domestic violence.

RRH IN OUR REGION

In addition to funding and program management provided by CACH and HDC, we partner with the following local service providers to deliver case management and supportive services to all program participants:

- Bethel Shelters
- Family Promise of York County
- The Haven's Men Shelter
- The Life House Women's Shelter
- The United Way of Lancaster County

WHO QUALIFIES FOR RRH?

To qualify for Rapid ReHousing, individuals and families must:

- Meet HUD's definition of "literal homelessness"
- Be entered into the **Homeless Management Information System (HMIS)**
- Have a **complete and up-to-date Vulnerability Assessment (VI-SPDAT)**

Note: Clients cannot be referred into the Rapid ReHousing program. If they meet the above criteria **AND** sufficient funding is available, the Rapid ReHousing Program Management Team will contact the individual or household directly.

RAPID REHOUSING FUNDING

Since last year, CACH and HDC have actively pursued additional funding to expand and sustain the Rapid ReHousing program. For the 2025–2026 program cycle, the following grants and funding sources will support eligible activities:

- The Burrell Foundation Grant (York Electric Cooperative)
- The Community Partnership Foundation Grant
- Continuum of Care Grant (CoC)
- Emergency Solutions Grant (ESG)
- Rapid Unsheltered Survivor Housing (RUSH)
- South Carolina Opioid Recovery Funds (SCORF)
- The Springs Close Foundation
- The United Way of York County's Financial Stability Grant

WHAT IS RAPID RESET?

With new funding secured, we are expanding our Rapid ReHousing efforts to include a new program called **Rapid Reset**.

Rapid Reset is a short-term housing intervention designed to help individuals and families transition from homelessness to housing by covering essential move-in costs.

The program can assist with:

- Utility deposits
- Security deposits
- First month's rent
- Last month's rent (if required by the lease agreement)

25-26 RAPID REHOUSING GOALS

With increased funding for our Rapid ReHousing programs, we plan to serve:

- 50 new households through the 12-month Rapid ReHousing program
- 50 additional households through the Rapid Reset program

This expansion will support **100+ individuals** in transitioning from homelessness to permanent housing over the next 11 months.

25-26 RAPID REHOUSING PROGRESS

We have officially begun onboarding for the 2025–2026 Rapid ReHousing funding cycle.

Rapid ReHousing:

- 8 households onboarded
- 2 households have already transitioned into housing
- 3–5 additional households expected to move into housing by the end of next week

Rapid Reset:

- 8 households identified for Rapid Reset
- 2 households have begun working toward securing housing

HOW YOU CAN HELP

To improve our programs, expand services, and engage the community, we need your help! You can support our efforts by:

- Becoming a Rapid ReHousing landlord
 - Landlord Information Form
- Donating furniture and household items
 - Furniture Donation Form
- Providing financial support through one-time or recurring donations
