Meeting & Event Descriptions

CACH Quarterly Meeting: These meetings include staff updates, data-driven and evidence-based presentations, and strategic discussion to ensure coalition members remain informed and aligned around our shared goal of making homelessness rare, brief, and non-recurring.

CACH Coalition Connect: Coalition Connect events provide space for informal conversation, networking, welcoming new members, and exploring opportunities for collaboration across agencies and sectors.

MACH General Membership Meeting: Coalition members are encouraged to attend MACH's General Membership Meetings to connect with regional service providers, represent the CACH area, and participate in educational presentations and trainings.
