UNITED WAY 211 AND PATHWAYS NEED YOUR UPDATED INFORMATION

- It is very important that both the United Way 211 Dispatcher and Pathways Intake team has the most relevant and updated information. Without that, we are not able to best serve those in-need.
- Both the Dispatcher and Pathways intake staff use agencies information in the United Way 211 website to reference and make a referral.

2. Support and stabilize families by surrounding them with caring, compassionate community so they can get back on their feet.
3. Keep families together and reduce the number of children entering the child welfare system.
